

The Chapel Family Bible Reading Program November 28 – December 3rd
Doing Life Together – 4 HIM

MONDAY:

KEY VERSE: Luke 2:1-20

OBSERVATION: We tend to glamorize the image of the shepherd. They played an essential role in the community. They were responsible for the care of the sheep, yet they were not held in high regard and were often looked down upon.

TUESDAY:

KEY VERSE: Luke 2:1-20

OBSERVATION: In Jesus' day, shepherds were not well-liked by the people. In fact, they were often associated with thieves and criminals. They were considered unclean and not allowed to enter the temple. This is because they were constantly in contact with animals which were unclean. Shepherds were a needed but not respected part of society.

WEDNESDAY:

KEY VERSE: Luke 2:1-20

OBSERVATION: On the night that Jesus was born, the first people the angels appeared to were the shepherds. This is a significant event because it shows that God cares for all people, even those considered lowly and unimportant. The angel tells the shepherds that a Saviour has been born and that they should go and find Him. The angel brought good news for those shepherds on the margins of society.

THURSDAY:

KEY VERSE: Luke 2:1-20

OBSERVATION: The angels were sent from heaven with a special announcement: the Saviour was born! It was the fulfilment of the promises made long ago. The wait was over. Jesus is Saviour, Messiah, and Lord. He is the only one who can save us from our sins and give us eternal life.

FRIDAY:

KEY VERSE: Luke 2:1-20

OBSERVATION: The shepherds stopped what they were doing and quickly obeyed the angel's message. In our daily lives, it's easy to make excuses for why we can't do something. We tell ourselves that we're too busy, not the right person or don't have the time. But when it comes to obeying God, we should follow the shepherds' example and obey quickly.

SATURDAY:

KEY VERSE: Luke 2:1-20

OBSERVATION: If we've met Jesus personally as Saviour, then we know how life-changing this experience would have been for the Shepherds. Our hearts and mouths should overflow with news of Him and what He has done in our lives. It's a privilege to share the good news of Jesus.
